

Quiz 1

1. How many points is this quiz worth?
2. List three places you can go to get help on the course material.
3. If you get perfect scores on all of the homework, quizzes, participation and exams, what score do you need on the final to get an A?
4. Simplify! Give your answer in lowest terms
 - a) $0.014 \div 0.168$
 - b) $.04 \times 2.5$
